**RE: N24 CAHIR TO LIMRICK JUNCTION PROJECT
Phase 3 Ground Investigation Works: Addendum No. 1
Appropriate Assessment Screening Report**

Dear Marcus

Enclosed is a copy of the "Appropriate Assessment Screening Report; Addendum No. 1" in respect of alternations to locations of Phase 3 Ground Investigation Works for the N24 Cahir to Limerick Junction Project.

Please note that the original determination was made on 19th April 2023 and this report proposes the same decision.

Having considered the above report, I recommend your approval that Tipperary County Council has carried out an Appropriate Assessment (AA) Screening Report (prepared by Scott Cawley) and has determined that a full Appropriate Assessment or the preparation of a Natura Impact Statement (NIS) is not required in respect of these proposed ground investigation works.

Notification of this determination shall be made available to the public on the N24 Cahir to Limerick Junction Project Website (www.n24cahirlimerick.ie) in accordance with the regulations.
